# GEYLONIKA

**CEYLONIKA**  
AUTHENTIC BEAUTY

JULY - SEPTEMBER 2025

At Ceylonika, our strategic vision is to become the #1 Social Selling Company in Sri Lanka, setting a new benchmark for direct-to-consumer beauty and wellness retail.

We operate at the intersection of three powerful forces: beauty, entrepreneurship, and digital connectivity. Our business model is built for scalability, leveraging a growing network of empowered Consultants, a portfolio of nature-inspired, high-demand products, and a tech-enabled platform designed for modern social commerce.

Our focus is on sustainable, inclusive growth. By lowering the barriers to entry for entrepreneurship, especially for women, we are tapping into a vast, underutilized economic force, while building a strong, loyal customer base driven by trust and shared values. As the market shifts toward personalized experiences and peer-driven recommendations, Ceylonika is positioned to lead. Our vision is to scale nationally and regionally, supported by data-driven decision-making, strong brand equity, and a low-overhead, high-margin distribution model.

We build a purpose-driven brand that creates meaningful impact across Sri Lanka and beyond.

**Naduni Assiriyage**  
CEO/ Founder

Our goal at Ceylonika is to position as a modern, nature-inspired social selling beauty brand aimed at empowering individuals, particularly women, through flexible entrepreneurship. Our model integrates beauty, community, and commerce by enabling Consultants to earn, learn, and grow through a curated portfolio of clean, locally inspired beauty products.

The scope covers product development, consultant recruitment and training, digital platform integration for sales and marketing, and the creation of a supportive brand community both locally and internationally. Our approach combines personal development, community-building, and scalable earning potential.

We envision Ceylonika as a purpose-led brand that not only drives sustainable growth but also uplifts lives.

**D D Samanthilake**  
General Manager

## About Ceylonika:

At Ceylonika Cosmetics Pvt Ltd, we believe true beauty is both authentic and ethical. Rooted in the rich biodiversity of Sri Lanka, our brand is dedicated to crafting premium, eco-friendly cosmetics that celebrate the purity of nature. Our tagline "Authentic Beauty" is more than just words; it's a promise to deliver products that are pure, sustainable, and effective.

We, as a social selling company, specialize in skincare, haircare, wellness and beauty solutions made from ethically sourced natural ingredients, combining the wisdom of traditional remedies with modern innovations. Every product we create is designed to nourish, protect, and enhance natural beauty while remaining kind to both people and the planet.

As a forward-thinking startup, Ceylonika Cosmetics is also redefining how beauty products reach consumers. Our unique Multi-Level Marketing (MLM) model empowers individuals to become independent entrepreneurs enabling personal growth while promoting sustainable beauty practices within their communities.

At Ceylonika, we're more than a cosmetics brand. We're a movement toward authentic, responsible, and empowering beauty.
