Pushparama Road, Kadawatha

JANUARY - MARCH
2026

Dear Valued Ceylonika Consultants,

As we embrace the dawn of 2026, my heart overflows with gratitude for each of you and our incredible team who breathe life into Ceylonika Cosmetics every single day.

This New Year opens a season of love, celebration, and empowerment - first as we welcome fresh beginnings in January, then as we honour love and self - love on Valentine's Day, and finally as we celebrate the strength, grace, and achievements of every woman on International Women's Day. In this spirit, we begin a beautiful new chapter with our Lotus Luxe Collection, introducing Bloom Day Cream to keep skin soft, radiant, and protected from dawn to dusk, and Moonlit Night Cream, a restorative night moisturizer that helps tired skin wake up dewy, glowing, and renewed. Together, these creations reflect everything we stand for - nature, care, and transformation.

Let us make 2026 our most transformative year yet, filled with unstoppable growth, deeper connections, and the joy of seeing more lives touched by Sri Lanka's natural wonders. Every smile you create, every story of glowing skin, and renewed confidence reminds us why we started this journey.

CEO & Founder

Dear Ceylonika Consultants,

As we step into the first quarter of 2026, we welcome a season of renewal, hope, and meaningful beginnings.

The past year reminded us of the strength found in unity. In the wake of the Ditwa Storm that affected Sri Lanka, we learned the true value of compassion, resilience, and caring for one another. Today, we move forward stronger, wiser, and more connected than ever.

This quarter celebrates what truly matters. February invites us to honour love in all its forms, while March shines a light on the grace, strength, and empowerment of women around the world. These moments inspire us to pause, appreciate, and uplift.

We are delighted to introduce our Lotus Luxe range a refined collection inspired by the purity and resilience of the lotus flower. Thoughtfully crafted, it reflects authentic beauty, inner strength, and timeless elegance.

As you explore this catalogue, we invite you to embrace self-care, share joy with those you love, and continue this beautiful journey with Ceylonika.

Wishing you a New Year filled with purpose, beauty, and lasting happiness. **Warm regards,**
